

BECOME A USACS **STAT TRAVELING PHYSICIAN**

What's a STAT Traveling Physician?

Sounds exciting, doesn't it? It is! US Acute Care Solutions (USACS) developed an internal staffing solution – we call it our Strategic Traveling Ambassador Team (STAT) program. STAT Traveling Physicians are residency-trained, board-certified, USACS emergency, hospitalist, and critical care medicine physicians who are dispatched to work in other USACS departments throughout the country where additional, temporary staffing is needed. Be an owner in our physician-led group, enjoy the support and tools offered to all USACS physicians, earn premium pay, and enjoy travel while working exclusively alongside your trusted colleagues at USACS locations nationwide.

JOIN STAT TRAVELING PHYSICIANS

Being a STAT Traveling Physician means you go:

- **As Owners** – All full-time physicians are granted equity ownership
- **As Experts** – Enjoy the same ongoing education, risk management tools, support, and training offered to clinicians across our practice
- **As Colleagues** – Earn premium pay and enjoy travel while working exclusively alongside your trusted colleagues at USACS locations nationwide
- **As Ambassadors** – Share the best of USACS culture as a change agent and role model

Benefits include:

- Equity ownership
- Unparalleled benefits – Check out our 10% company-funded 401(k) contribution and 100% paid parental leave for all new parents!
- Unique work-life balance
- Scheduling preference
- A variety of practice environments
- Outstanding compensation
- All travel, lodging, and meal expenses are covered
- In-house concierge travel coordination

Your search for an exciting career is over!

- If you love travel, adventure, and working in a variety of practice locations where you're most needed throughout the United States, this is the opportunity for you
- All full-time physicians become equity owners in USACS, the largest and fastest-growing physician-owned and led group in the nation
